Review of operations

The profit for the consolidated entity after providing for income tax amounted to \$2,293,627 (For the period 1 November 2015 to 31 December 2015: loss of \$2,672,521).

Additional information regarding operations for the half year ended 31 December 2016 follows.

NSW/ Australian Capital Territory

Growth in this sector has been predominantly driven by the full period impact of the NCSA acquisition (all of which operates within this segment) and organic growth through predominantly cleaning contract wins and renewals in NSW.

Victoria

The Victorian segment was bolstered by cleaning and security contract wins in the retail division.

South Australia

South Australia has remained consistent. This segment should see some improvement in the second half of the 2017 financial year due to normal seasonality in the school cleaning sector.

Queensland

Growth in the Queensland segment has been predominantly driven by shopping centre growth and redevelopment in this segment as well as contract wins and major contract renewals.

New Zealand

The group continues to expand into the New Zealand market with contract wins from a major client on the North Island in the second quarter of the 2017 financial year.

Western Australia

The group successfully expanded into Western Australia with the acquisition of the Airlite Group (which operates predominantly within this segment).

Note 2. Operating segments

Identification of reportable operating segments

The consolidated entity is organised into seven operating segments: Victoria, Queensland, South Australia, New South Wales, New Zealand, Western Australia and Head Office. These operating segments are based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources. There is no aggregation of operating segments.

The CODM reviews EBITDA (earnings before interest, tax, depreciation and amortisation). The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

Note 8. Contingent assets

Millennium Services Group Ltd is entitled to an indemnity from certain vendor shareholder entities if their objection, lodged with the NSW Office of State Revenue (OSR), is ultimately unsuccessful. This indemnity is in excess of the \$1.927 million levied to Millennium Hi-Tech Group Pty Ltd, a wholly owned subsidiary of Millennium Services Group Ltd, by the NSW Office of State Revenue for payroll tax assessments in respect of the payroll years ended 30 June 2011 to 30 June 2015 (inclusive). A corresponding contingent liability, in excess of this amount, has been disclosed in Note 9 of these financial statements.

Note 9. Contingent liabilities

Companies within the group had at the end of the reporting period a number of public liability claims made against it in relation to incidents occurring at facilities cleaned by the company. These claims are part of normal business activity for companies of this nature and are expensed as incurred due to the number of claims and the relative amounts of each claim settled. The group is presently undertaking an analysis of historical information and claims processes to determine if a change in the present accounting policy is warranted.

The NSW Office of State Revenue (OSR) on 23 November 2015 issued payroll tax assessments in respect of the payroll tax years ended 30 June 2011 to 30 June 2015 (inclusive) for wholly-owned subsidiary Millennium Hi-Tech Group Pty Ltd totalling \$1.927 million. These assessments were made on the basis that the employment agency provisions of the Payroll Tax Act 2007 (NSW) applied to Millennium Hi-Tech Group Pty Ltd. An objection was lodged with the OSR in early 2016 in respect of this matter.

Should Millennium Hi-Tech Group Pty Ltd be ultimately unsuccessful in its objection, Millennium Services Group Ltd is entitled to an indemnity from certain vendor shareholder entities in excess of the assessments levied. As such, a contingent asset of \$1.927 million has also been disclosed in these financial statements. Further, should Millennium Hi-Tech Group Pty Ltd be ultimately unsuccessful in its objection, it is likely that a further amount of payroll tax would be payable in respect of the period since listing to 31 December 2016. It is estimated that the impact of such additional tax would be between \$0.5 million - \$1 million (excluding any penalties of interest that may be levied). This additional contingent liability would not be covered under the vendor shareholders' indemnity.

During the period ended 31 December 2016 the OSR rejected the initial objection lodged by Millennium Hi-Tech Group Pty Ltd. Millennium Hi-Tech Group Pty Ltd is appealing this decision to the NSW Supreme Court. Millennium Hi-Tech Group Pty Ltd has received Senior Counsel's opinion that the employment agency provisions of the Payroll Tax Act 2007 (NSW) do not apply and the decision of Justice White in the NSW Supreme Court (UNSW Global Pty Ltd v Chief Commissioner of State Revenue [2016] NSWSC 1852) supports this position.

Note 10. Business combinations

The above adjustments include the elimination of the Contingent Consideration provision of \$1 million that was provided for in the 30 June 2016 accounts as part of the provisional fair value accounting. The Directors note that the ACS Vendors have issued Millennium with a Notice of Dispute claiming various adjustments to the relevant contractual earn-out provision ("Claims"). The Notice of Dispute and the related Claims are in the process of being referred to an Independent Accountant for review and determination. The Directors note that they have received written advice regarding the Claims raised by the Vendors. That advice has concluded that the majority of the items compromising the Claims are without appropriate foundation, and on any objective analysis would most likely be rejected by the Independent Accountant. As such, the Directors have concluded that there is no basis to maintain the Contingent Consideration provision of \$1 million.

The adjustments have been restated in the 30 June 2016 comparatives.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MILLENNIUM SERVICES GROUP & CONTROLLED ENTITIES

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Millennium Services Group Ltd & Controlled Entities (**the company**), which comprises the statement of financial position as at 31 December 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity, the statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standards on Review Engagements ASRE 2410: *Review of Interim and Other Financial Reports Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including:

- a. giving a true and fair view of the company's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and
- b. complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

As the auditor of the company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

For personal use only

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if provided to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the company is not in accordance with the *Corporations Act 2001*, including:

- a. giving a true and fair view of the company's financial position as at 31 December 2016 and of its performance for the half-year ended on that date; and
- b. complying with AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.
